

DeWALT®

PRODUCT NAME

Summit

KEY FEATURES

- Water-resistant upper
- Lightweight phylon/rubber outsole
- Steel toe cap protection
- Composite midsole protection

ITEM DESCRIPTION

Summit is a water resistant 5" work boot with steel toe cap and composite midsole protection. The boot has a nubuck leather upper which includes a padded tongue and collar for added comfort. Manufactured using a cemented construction, the brand new outsole designed by DeWalt has a sleek low profile design. Its design has also allowed the outsole to gain further certifications to the new 2022 standards such as, the slip resistance to the highest standards, resistance to fuel oil and heat and oil resistant to 300 degrees celcius. Completed with a pro comfort footbed, your new everyday DeWalt boot has arrived.
